Contract Negotiations are over and we voted today.

The New contract passed 55/13

Thank you all that supported the Negotiations Team and to those of you that came out to vote. We need to all help in our buildings and try to spread the word about building our Union up with more members.

Jessica was asked to sit in on the Interviews for the new Superintendent. She said they narrowed it down to three gentlemen. Final announcement should be at the May 30th board meeting.

**Treasurer's Report:** Staff that bought food and supplies for the Negotiations Team meetings have been reimbursed.

Balance after dues have been paid for May is \$7,031.22

**Next Meeting:** Scheduled for August 21, 2017 @ 4:45pm in the Harmon out building. We will then have the dates set for the 2017-2018 school year meetings.

***Jessica, Becki and Boni would like to thank Cheryl for everything that she has done this year as our Vice President and we all wish her the best of luck in her retirement. We are actively looking for a new VP to fill her position.***
